ABOUT TRAINIT

Unleash your potential with **TrainIt**, where innovation meets hands-on training! Organized by **Trinity Club** under **Solutions 2025, Pune's biggest technical fest**, this unique opportunity invites you to dive into the world of cutting-edge technology, featuring practical workshops designed to empower and enhance your skills. Whether you're a beginner eager to explore tech or a student looking to level up,

TrainIt provides the perfect platform to learn, grow, and innovate. In this dynamic experience, expert trainers will guide you through modern technologies, from AI and Machine Learning to full-stack web development and beyond. You'll work on real-world projects, acquire industry-relevant skills, and build the confidence to thrive in a digital-first world.

ABOUT AIT

Army Institute of Technology is an engineering college located in Pune, Maharashtra, India. The pioneer class of AIT celebrated its silver jubilee in 2023, and the Chief of Army Staff, General Manoj Pande, paid a visit to the institute to honour the occasion.

We always abide by our motto "**ONWARD TO GLORY**".

Our college has been the bedrock where many brilliant minds laid their foundations and then took off, aiming for greater heights. Today they hold respectable positions and contribute greatly to our advancing society.
